NASHUA SILVER KNIGHTS SELECT TICKETRETURN AS EXCLUSIVE TICKETING PROVIDER

Team GM calls TicketReturn an 'exceptional partner,' citing efficient onboarding process

The [Nashua Silver Knights](#) (Nashua, NH) summer collegiate baseball team cited an efficient onboarding process and dedicated client support as among the top reasons to choose [TicketReturn](#) as the team's exclusive ticketing partner for the next five years. TicketReturn will serve as the team's official provider of industry-leading box office, online and mobile technologies.

TicketReturn, a leading provider in box office, online and mobile ticketing services, offers nearly two decades of technology management experience to help clients across the country exceed their goals. The Charlotte, N.C.-based company offers a full suite of ticketing innovations, including event marketing, access control, attendance reporting, accounting and fundraising features for sports and entertainment venues.

TicketReturn was able to quickly onboard the Silver Knights over the space of a couple weeks this spring, ensuring that operations ran smoothly ahead of the start of the season in late May.

"(They were) an exceptional partner for (us) during our recent organizational transition," said the team's general manager Dave Pahucki. "We made a phone call on a Saturday morning in April, in dire need of a ticketing company for the start of our season in May. TicketReturn stepped up in a big way to provide us with professional and timely service."

The Silver Knights box office will receive training and continuing education from a dedicated TicketReturn client support representative. TicketReturn support staff take the time to understand their partner's business in order to work in a consultative fashion and ensure success throughout the year.

Through the partnership, the team will be able to offer a wide variety of ticketing packages, including season ticket plans, mini-plans, partial-season offers, flex plans and more. Silver Knights fans will be able to purchase tickets at the team's box office, online or using a mobile device.

"For Nashua, the only limit is the imagination," said Christie Hussey, Vice President of Sales and Marketing for TicketReturn. "From non-ticket inventory to any variety of flex plans, the Silver Knights will be able to create fan experiences and increase revenue at every game. We look forward to serving Nashua's box office for years to come."
