TICKETRETURN, TEXAS A&M CORPUS CHRISTI RENEW EXCLUSIVE TICKETING PARTNERSHIP

Texas A&M Corpus Christi’s (Corpus Christi, Texas) athletic department has agreed to renew its partnership with ticketing technology leader TicketReturn. TicketReturn will continue to serve the Texas A&M Corpus Christi Islanders as the exclusive provider of industry-leading box office, online and mobile ticketing technologies.

TicketReturn’s dedicated client support representatives have enjoyed working in partnership with Texas A&M Corpus Christi to increase the efficiency of the university’s box office operations.

Each TicketReturn client is empowered to use a host of industry-leading services, including total box office, mobile and online sales integration, online customer account services, digital ticket ownership and usage tracking, and user-controlled ticket ownership.

TicketReturn, a leading provider of box office, online and mobile ticketing services, offers nearly two decades of technology management experience to help clients across the country exceed their goals. The Charlotte, N.C.-based company offers a full suite of ticketing innovations, including event marketing, access control, attendance reporting, accounting and fundraising features for sports and entertainment venues.

“The Islanders box office can continue to look forward to dedicated client support and responsive ticketing technologies,” said Christie Hussey, Vice President of Sales and Marketing at TicketReturn. “We look forward to working closely with Texas A&M Corpus Christi as we provide them with the quality support they deserve.”

###
About TicketReturn
TicketReturn is a leading provider of box office and online ticketing services serving more than 250 client venues and issuing more than 38 million tickets annually. As a leading provider of ticketing services for Minor League Baseball (MiLB) in the U.S. and Canada, TicketReturn also serve minor league hockey teams, soccer, basketball and lacrosse. TicketReturn’s diverse client venues range from theater and casino showrooms, motorsports, horse racing, university arenas and sports stadiums reflecting the ease of use and scalability of the platform.
